### T. ROWE PRICE LAUNCHES SPECIAL GLOBAL MARKET OUTLOOK EDITION OF “THE ANGLE” PODCAST

*New installment of “The Angle” to focus on 2025 Global Market Outlook and evolving market themes*

BALTIMORE (December 17, 2024) – T. Rowe Price, a global investment management firm and a leader in retirement, has launched a special edition of “The Angle,” a podcast focused on timely topics shaping financial markets. “2025 Global Market Outlook, Investing During Transition” highlights T. Rowe Price experts’ expectations for global markets in 2025.

Three episodes were released simultaneously on December 6<sup>th</sup>, and feature commentary from Justin Thomson, Head of International Equity and Chief Investment Officer; Arif Husain, Head of Global Fixed Income and Chief Investment Officer; Sebastien Page Head of Global Multi-Asset and Chief Investment Officer; Stephon Jackson, Head of T. Rowe Price Investment Management; and Blerina Uruçi, Chief U.S. Economist.

The new episodes are hosted by Ritu Vohora, global capital markets investment specialist at T. Rowe Price. Vohora previously hosted season three of “The Angle”, which examined the U.S. presidential election and critical policy issues.

“I am grateful for the opportunity to host this special edition of ‘The Angle,’” said Vohora. “T. Rowe Price’s 2025 Global Market Outlook provides a wealth of insights, and I’m excited to help make this valuable content more accessible to our audience. Each episode is designed to offer in-depth analysis and practical implications for investors. I look forward to engaging with our listeners and helping them navigate the complexities of the financial landscape in the coming year.”

Topics include:

- **Macroeconomic Outlook for 2025:** In this first episode, T. Rowe Price experts discuss the macroeconomic outlook for 2025. They examine global fiscal and monetary policy, what impact the Trump presidency could have on the global economy, and potential developments in China.
- **Factors impacting financial markets:** In this second episode, T. Rowe Price experts take a deeper dive into the factors impacting financial markets as they consider the outlook for corporate earnings, and whether there will continue to be a broadening of equity markets into 2025.
- **Implications for investors:** In this final episode of the 2025 Global Market Outlook discussion, T. Rowe Price experts consider the potential implications for financial markets. Where do T. Rowe Price portfolio managers see the greatest potential and where are there areas of concern?
