BALTIMORE (June 27, 2024) — T. Rowe Price, a global investment management firm and a leader in retirement services, today announced it has been named to *Fortune's* World's Most Admired Companies list for its 14th consecutive year as well as *Newsweek's* list of the Most Trustworthy Companies in America.

The World's Most Admired Companies recognition is presented by *Fortune*, an American global business magazine that has been identifying top companies for this recognition since 1997.
